

## IBADCC is excited to introduce computer based testing!

Effective October 3, 2011, the IBADCC will be eliminating **ALL pencil and paper certification testing** and will be implementing computer based testing or CBT.

### The benefits of computer based test are:

- Flexibility to test “on demand”
  - *No longer limited to only two (2) tests cycles per year*
- Immediate scoring at the completion of your exam
  - *No longer will have to wait for your score*

Once your application has been approved and your testing fee has been received by IBADCC, a letter will be issued with instructions directing you to register for your test online. You will be able to select your testing date and the testing center that is most convenient for you.

### Testing Fees:

ACADC	CADC	CCS	CPS	ISAS
\$185	\$185	\$185	\$185	\$130

**Please note:** *You have ONE (1) year from your application approval date to test. If you have not tested within that year your file will become inactive and a \$50 reactivation fee will be charged, in addition to the CBT fee.*

### Reschedule/Cancellation Policy:

If you need to cancel or reschedule your test five (5) or more calendar days prior to the date, you will have to pay a \$25 rescheduling fee to Schroeder Measurement Technologies (SMT).

If you reschedule or cancel your test less than five (5) calendar days prior to the date, you will *forfeit* the full testing fee.

If you fail to show up for your examination at the scheduled time, do not have the proper identification, or do not have your admission letter, you will not be allowed to set for your exam. You will *forfeit* the full testing fee.

### Test Day:

You **MUST** have proper identification and your admission letter when you arrive at the test center.

We look forward to working with you and encourage you to continue to pursue your certification as a treatment professional.
